Chivalry, Rivalry, Revelry: Medieval Times

Travel through the mist of time to a forgotten age and a tale of devotion, courage and love – at Medieval Times Dinner and Tournament. Imagine the pageantry and excitement that would have been yours as a guest of the king ten centuries ago.

An experience that blurs the boundary between fairy tale and spectacle! The arena quickly fills with the thunder of hooves as the King of Arms leads the cast through a spectacular display of equestrian skills and Medieval pageantry. The pace quickens as the Tournament of Games begins. The valiant Knights on horseback face their competition in games of skill, such as the ring pierce, flag toss, and javelin throw.

The experience culminates as trumpeters summon the Knights of the Realm for the Tournament Royal. Guests join in the revelry and fun as they cheer their own Knight to victory in authentic jousting matches and dangerous sword fights. Following the evening's final show, guests have the opportunity to receive autographs and mingle with cast members in the Hall of Arms.
