TEEN SCENE PLAYERS PRESENT SCREEN PLAY

February 9-18, 2018

Fact: More than 50% of teens admit that they are addicted to their phones. They're plugged in and often tuned out. In her new play, Linda Daugherty, DCT's award-winning playwright-in-residence, explores the blurry lines between real life and life online. Cyber-bullying, explicit content and

screen addiction impact the lives of a group of teens, leading to tragic consequences.

NOT suitable for children under 12.

YANA WANA'S LEGEND OF THE BLUEBONNET

March 23 - April 8, 2018

Ten-year-old María is having trouble in school, so her mom sends her to stay with her Coahuiltecan grandmother in distant Laredo for discipline and perspective. There, María is told an ancient story of young Yana Wana who followed a revered deer to find water to save her people. Yana Wana's story exposes an amazing and unknown ancestral connection to the bluebonnet that gives María a renewed sense of self and family pride. You may have read one version in school; now we invite you to come see the legend through the eyes of Yana Wana in this world premiere. A beautiful, original play that illustrates the power of heritage and the value of one's own story - especially one as ancient as the petroglyphs of Texas.

Recommended for ages 6 and up.
