ELLA ENCHANTED: THE MUSICAL

January 25 - February 24, 2019

Ella of Frell is turning the traditional Cinderella story upside down! At birth, she was given the "gift" of obedience which forces her to do anything people command: whether that's hopping on one foot all day or telling her best friend to just go away! As a teenager, strong-willed Ella chooses to reject this lifestyle as her fate and embarks on a quest to break the curse forever. Along the way, feisty Ella must outwit her evil stepsisters, escape hungry ogres, and save the prince before she can claim her real voice. In this fun and spirited musical extravaganza that stays true to the Newbery Honor book, children will discover the power of words while laughing, singing, and dancing out loud.

Recommended for ages 6 and up

THE SECRET LIFE OF GIRLS

February 15 - February 24, 2019

Bullying in every form - from open tactics like gossiping and keeping secrets, to using friendship as a weapon - can become the prelude to dangerous behaviors like depression, cutting, and eating disorders. This show takes an unflinching look into the world of mean girls and exposes the consequences that bullying creates. Because that girl everyone is spreading rumors about...the one who just can't seem to fit in chances are, you know who she is. This production by award-winning playwright Linda Daugherty generated massive buzz when it debuted in 2007 and subsequently launched DCT's internationally-praised teen issue series. In DCT tradition, teens and those who love them are invited to see a performance, and then stay after for a conversation with local experts.
