The wildly popular West Village Movie Night is back, with outdoor screenings of family friendly flicks for the best possible price: zero dollars.

Every third Wednesday, grab some folding chairs or a blanket and head to the stretch between Mi Cocina and the Magnolia Theatre. Come early, and you might be lucky enough to snag a patio table at Taco Diner, Cru Wine Bar, MidiCi, or Mi Cocina. Each movie starts at 8:30 pm, with the exception of *The Greatest Showman*, which begins at 7:30 pm. But before the opening sequences appear, live musicians and DJs are performing starting at 7 pm. Here's the lineup:

Perot Museum: Ultimate Dinosaurs

These are not your old-school dinosaurs! Based on groundbreaking research from scientists around the world, *Ultimate Dinosaurs* reveals rarely seen, exotic species from the other side of the world. From the tiny Eoraptor to the massive Giganotosaurus (T. rex's bigger, badder cousin), the exhibition is a fascinating introduction to 17 dinosaurs that are unfamiliar to most North Americans. Presented locally by Highland Capital Management and supported by Hilton's "Explore Like a Local" program, *Ultimate Dinosaurs* tells the story of the break-up of supercontinent Pangaea into today's continents and the amazing diversity of dinosaur species that evolved as a result. Highlights include 15 fully articulated dinosaur casts, more than a dozen prehistoric specimens, augmented reality to experience the dinosaurs in the flesh, touchable fossilized dinosaur specimens, hands-on play spaces featuring miniature dinosaur dioramas and more. *Ultimate Dinosaurs* will run through January 6, 2019. Presented by the Science Museum of Minnesota in English and French (with a Spanish audio guide available), *Ultimate Dinosaurs* requires a surcharge for members and non-members.

Summer of the Dinosaur

Dinosaurs for days! *Ultimate Dinosaurs* is just one of several oh-so-hot paleo experiences as the Perot Museum rolls out new installations during the "summer of the dinosaur." Beginning June 20, the top of the Perot Museum's glass-enclosed escalator – newly dubbed the T. rexcalator – will boast a life-sized cast of "Stan" (the second most complete T. rex skeleton ever found) that will surprise guests as they step off the rolling staircase. At nighttime, the T. rexcalator will be brightly lit in colorful lights for passersby to enjoy! As visitors make their way into the T. Boone Pickens Life Then and Now Hall on Level 4, an interactive "dancing dinosaurs" experience will beckon all ages to show off their funky moves as a virtual dancing dinosaur avatar. More paleo additions will be announced later this summer.

>> **Concierge Discount Tickets are \$12 for general admission to the museum. Additional fee for the dinosaur exhibit.**
