## THE ISLAND OF THE SKOG: May 3-25, 2019

The best laid plans of mice and well, Skog, are upended in this lively musical adventure that navigates land and sea. When Jenny and her mice friends grow weary of ravenous cats, noisy humans, and peril on the streets, they decide a new island paradise is the order of the day. Led by the surly Captain Bouncer, the Rough-riding Rowdies think they've hit the jackpot until they discover that a "giant" already has dibs on their newfound home. The Rowdies and Skog each devise a survival of the fittest plan that, in the end, only points out the flaws that come with assuming the worst and refusing to compromise. A delightfully charming and gentle story that brings to life the author's beloved illustrations and characters.  
*Recommended for ages 3 and up.*

## DIARY OF A WORM, A SPIDER & A FLY: June 14 - July 7, 2019

The coolest ever rock-n-roll romp through a bug's world commands center stage in this hip-hoppin' musical that promotes eco-consciousness, earth science, and tolerance of others. The popular characters from the bestselling books are not so unusual: Worm eats his homework and has no legs. Fly has 327 siblings and wants to be a superhero. And Spider can't wait to grow up and molt. When Fly's Aunt Rita needs help getting out of a tight spot, the squad must combine their talents and work as a team on the rescue mission of a lifetime. While there's no pop quiz, you might just learn that a bug's life isn't that different from your own. *Recommended for ages 3 and up.*
