# Maverick Fitness to Provide \$60,000 in Donations to Local Charities Through “OrangeLove” Program in 2023

Dallas, Texas – January 18, 2023 – Maverick Fitness, who owns 35 Orangetheory® Fitness studios in North Texas, makes it a priority to give back to the communities they serve. In 2017, Maverick Fitness created OrangeLove, their non-profit initiative where one charity is chosen monthly to be the recipient of a cash donation.

Orangetheory Fitness members are encouraged at the end of each class to check in on social media, tagging the charity to help create social awareness. Maverick Fitness then donates up to \$5,000 to the charity of choice that month. Since creating the program Maverick Fitness has given \$210,000 to non-profits in the area. The total donations for 2023 will be \$60,000.

“The Adaptive Training Foundation and Orangetheory Fitness share a culture of inclusion, empowerment and community. With Orangetheory’s support, ATF will be able to extend its cost-free programs to individuals in need of redefining their life.”, says David Vobora, Founder, Adaptive Training Foundation.

“Community and service is part of our core company values and we are honored to partner with local non-profit organizations year after year. The OrangeLove program is one-of-kind and we look forward to enriching the community we serve.”, says Shane Adams, CEO Maverick Fitness.

### Cry Havoc Theater Company's ENDLINGS

**February 10 –  
February 19, 2023**

DCT is honored to be presenting the final production of Cry Havoc Theater Company. In its eight-year history in Dallas, the teen theater company has been celebrated for putting young artists in the lead as creators and actors of bold art that disrupts expectations and shakes up old, entrenched conversations.

ENDLINGS is a thought-provoking play that tackles climate change, social justice, grief, the pandemic, art, and much more with frank, youthful honesty. First-person interviews with individuals who are living on the front lines of climate change are juxtaposed with conversations among the teens of Cry Havoc to create a mind-shifting, thought-provoking, must-see theater piece that serves as a powerful conduit for community dialogue around issues that matter to all of us. Post-show conversations with subject matter resources will follow every performance.
