The 43rd Annual North Texas Irish Festival

Feb 28 – Mar 2

You can see it if you shade your eyes just right! We are so excited for this one for a number of reasons. When this wonderful festival was first conceived of, it was an event created by musicians who loved Irish traditional music, for musicians and an audience who also loved Irish traditional music. We are still one of the only large Irish festivals in the country who place a huge significance on the traditional music of Ireland.

North Texas Irish Festival is held at historic Fair Park at 3809 Grand Ave in South Dallas.
