The Moody Family Children's Museum Unveils its Transformative Expansion @ the Perot Museum

Furthering its mission to foster curiosity through innovative technology and state-of-the-art design, the Perot Museum of Nature and Science debuts a fresh new face.

Beckoning with its brilliant new look, the Moody Family Children's Museum, nestled within the beloved Perot, awaits with its reimagined look. Having almost doubled in size, expanding nearly 5,000 square feet, this kaleidoscopic wonder spot will cater to its youngest patrons. Serving children up to seven years old, the museum will continue to ignite creative thinking and inspire wonderment in the world of STEM. "This project is a visionary accomplishment and testament to what is possible when we invest in the future of our children and our city," shares board member Suzanne Perot McGee. "It is more than just a place to play; it's a vital resource for introducing young learners to the power of STEM in ways that are meaningful, engaging and accessible."

The 2025 State Fair of Texas, "Texas Shines Bright"

Friday, September 26, through
Sunday, October 19

The countdown is on for the State Fair of Texas, which is 57 days away. The biggest fair in Texas announced their commemorative theme art for this year, "Texas Shines Bright."

This year's theme is inspired by Big Tex's "larger than life persona," according to a statement on the fair website. The 55-foot-tall cowboy reigns over the fair and its attendees every year, embodying Texas culture.

Big Tex has been the State Fair of Texas' ambassador since 1952. This year's commemorative art was captured by Texas native graphic designer and illustrator Silvia Skinner at The Matchbox Studio.

Dallas Concierge will have discount tickets available on our website for the State Fair
