Movies:

August 3:

Mission: Impossible - Ghost (2011) | PG-13 | 2h 13m

Blamed for a terrorist attack on the Kremlin, Ethan Hunt (Tom Cruise) and the entire IMF agency are disavowed by the U.S. government, while the president initiates the Ghost Protocol. Forced to go “off the grid” -- left without resources or backup -- Hunt must somehow clear the agency’s name and prevent another attack. Complicating matters even more, Ethan must undertake the impossible mission with a group of fellow IMF fugitives whose actual motives are suspect.

August 10:

Mission: Impossible - Fallout (2018) | PG-13 | 2h 28m

Ethan Hunt and the IMF team join forces with CIA assassin August Walker to prevent a disaster of epic proportions. Arms dealer John Lark and a group of terrorists known as the Apostles plan to use three plutonium cores for a simultaneous nuclear attack on the Vatican, Jerusalem and Mecca, Saudi Arabia. When the weapons go missing, Ethan and his crew find themselves in a desperate race against time to prevent them from falling into the wrong hands.

August 17:

Skyfall (2012) | PG-13 | 2h 23m

When James Bond’s (Daniel Craig) latest assignment goes terribly wrong, it leads to a calamitous turn of events: Undercover agents around the world are exposed, and MI6 is attacked, forcing M (Judi Dench) to relocate the agency. With MI6 now compromised inside and out, M turns to the one man she can trust: Bond. Aided only by a field agent (Naomie Harris), Bond takes to the shadows and follows a trail to Silva (Javier Bardem), a man from M’s past who wants to settle an old score.

August 24:

Spectre (2015) | PG-13 | 2h 28m

A cryptic message from the past leads James Bond (Daniel Craig) to Mexico City and Rome, where he meets the beautiful widow (Monica Bellucci) of an infamous criminal. After infiltrating a secret meeting, 007 uncovers the existence of the sinister organization SPECTRE. Needing the help of the daughter of an old nemesis, he embarks on a mission to find her. As Bond ventures toward the heart of SPECTRE, he discovers a chilling connection between himself and the enemy (Christoph Waltz) he seeks.

August 31:

No Time to Die (2021) | PG-13 | 2h 43m

James Bond enjoys a tranquil life in Jamaica after leaving active service. His peace, though, is short-lived as his old CIA friend, Felix Leiter, shows up and asks for help.
